

Registration of a Paso Fino horse in the PFAE database

Please help us to list all Paso Finos imported to or born in Europe in this database. The registration of horses is free of any cost for PFAE members.

Important: If the new foal or imported horse is not being registered within 12 weeks, an additional registration fee will be charged if the horse participates in any PFAE sanctioned show or trailride.

--- Please fill in all the blanks! ---

| | |
|---------------------|---|
| Horse Name: | |
